Section-B

Note : Question Nos. 2 and 3 are passage based questions each carrying 5 marks.

2. Read the passages and answer the questions given at the end of each passage :

Shri Radhakrishnan says that the troubles of the whole world including India are due to the fact that education has become a mere intellectual exercise and not the acquisition of moral and spiritual values. In the present world moral and social values are disintegrating, religion is losing its hold; nations do not trust one another. In this scenario, it is essential that education for peace and moral values are imparted to young generations.

Peace is the most important requirement of the present age. There is a need to develop an understanding of other people and an appreciation of interdependence, carrying out joint projects, learning to manage conflicts and developing a spirit of respect for the values of pluralism, mutual understanding and peace.

Questions:

- (i) What is theme of the above passage? 1
- (ii) What is the cause of troubles of the modern world? 1
- (iii) Which education can solve the problems faced by the world? 1
- (iv) Name two important values of our society mentioned in the passage. 1
- (v) What has become the aim of modern education? 1

3. Read the following passage and answer the questions given at the end :

"To be happy is the universal urge of all beings and at all times. One has to be at peace with oneself to be happy. There can be no peace for a turbulent mind," said Swami Vivekananda. It is only when we follow a value system that we can have a serene peaceful mind. Values form an important element of the personality of individuals. They influence their thought and behaviour in an unconscious manner. Values are normative standards of human behaviour. We must stress teaching of moral, social and spiritual values. Moral values signify a code of ethical principles which are essential for leading a noble life. Morality forms our character, heals the wounds of humanity and saves us from destruction.

Questions:

- (i) Which types of values should be taught in schools? 1
- (ii) Define Values. 1
- (iii) What is the universal urge of all beings? 1
- (iv) Enumerate two advantages of morality. 1
- (v) Who propagated value education in India? 1
